Subject: I: Drive - Upper Animas

Hi Steve,

Here are the locations of the UAA for the Animas:

[I:\Restricted Share\Upper Animas\Documents\UAA - PB version](#)

The Baseline Eco Risk Assessment:

[I:\Restricted Share\Upper Animas\Documents\Cement Crk Dft BERA](#)

The 2015 SAP/QAPP:

[I:\Restricted Share\Upper Animas\Sampling\SAP QAPP Animas 2015 Final.pdf](#)

Also, you can look around, there are some useful documents on the drive. I'm trying to populate this folder with important documents.
